

Lutheran Winni Week July 6-13, 2013

General Information and Rates

We are very behind the time line this year and ask you to bear with us. We have had a few setbacks during the winter months, but are on track now for a great Lutheran Winni Week. We have had to adjust some of our deadlines, please review the time line below carefully. The fees for the Lodgings have stayed the same as last year, and the Conference and Meal costs have also. We have tried to consolidate the information this year to minimize paper waste and streamline the registration process.

Please forward the emailed files or print copies of this material and invite friends whom you think would enjoy Lutheran Winni Week along with us.

Reservations will be processed on a first come-first served basis. Due to the lateness of this information, we must ask for registration with deposit of 30% by Friday May 24, 2013. We ask for a second payment of another 30% by June 15, 2013, and the final balance due upon arrival. If you can not attend for the whole week, and need shorter term lodging and meal plan pricing, contact Ellen Bartlett directly, by May 24, 2013.
